## **INSURANCE AGENT**

This months newsletter article.

Knights of Columbus insurance has been "Making a Difference for Life" for more than 120 years. Since our founding in 1882, our primary mission has been to protect families against the financial ruin caused by the death of the breadwinner. Today we do this, and help families secure their financial futures, through our top-rated portfolio of life insurance, long term care insurance and annuity products.

When our organization began, in order to help each other, our members "passed the hat" to assist families of deceased members. Soon, however, this became impossible, as the number of our members grew. Out of this simple process, we've evolved into a modern, dynamic insurance organization, and offer a wide variety of products to suit virtually everyone's needs.

Permanent Plans - Policy lasts as long as you live, premium stays the same.

Term Plans - Policy ends at end of specified term: renewable or convertible.

Annuities - Provides an income that is guaranteed for life.

Long Term Care - Provides funds for long-term, out-of-hospital care.

Why buy Insurance anywhere else.

## **DISTRICT DEPUTY REPORT**

First I wish to congratulate all new Brother Knights who joined our order this past month. You have taken the first steps to full Knighthood in the third Degree of the Order. I encourage you to attend the installation dinner and the next business meeting. Our council has many programs and activities coming up and we need you to step up and get involved. The Soccer challenge is fast approaching as is the Basketball and Spelling Bee competition. We should also be working on reactivation of our Squires Circle. I ask that all brother Knights please make an attempt to be at the next meeting and take an active roll. Thank you for listening. Vivat Jesus
